

Stand-Mounted LENRD®

Installation & User Guide

Thank you for purchasing the **Auralex® Stand-Mounted LENRD® Bass Traps**. This is a highly effective portable acoustic bass trap that can be easily positioned in your rooms corners to improve low frequency absorption.

- 1 Set up stand firmly tighten the pole into the base. Extend the top tube and firmly tighten the adjustment collar.

- 2 Remove star washer from the top of the stand if present.

- 3 Lay the **LENRD** on a flat surface and open up the gap in the rear to remove the foam tube from the stand hole. This is often best accomplished with the **LENRD** lying flat on the floor or on a table. Adjust the height of the **LENRD** as required.

- 4 Position the **LENRDs** in the corners of your room. For optimal bass trapping, adjust the height of the **LENRDs** so they are as close to the ceiling as possible.
